

Client: Greene King

The Brief: South East drainage contract

Moolands secured Greene King's South East drainage contract, covering the whole of the SE and parts of London. Moolands faced stiff competition and were proud to have been selected to provide reactive and planned drainage works for a three year term with option to extend.

Greene King is the country's leading pub retailer and brewer, running over 2,700 pubs, restaurants and hotels in towns, villages and city-centre high streets across England, Wales and Scotland. With a rich heritage of over 200 years, we brew award-winning beers and operate managed, tenanted, leased and franchised pubs from our headquarters in Bury St. Edmunds.

- Supply all areas of drainage provision for GK in planned and preventative works
- 3 year contract, sole contractor
- Provide 24/7 reactive cover for the sites.
- Supply tankers
- Install and maintain Grease traps
- Carry out drainage remedial works including drainage repairs or replacements and rehabilitate lines with drain lining negating the need for excavations
- Maintain pump stations
